- Our Instructors are all BQA accredited.
- Our training courses are BQA Accredited and/or DRTS Approved.
- All vehicles are fitted with tracking devices.
- All Learners are covered by 3rd Party Insurance.

WHY LEARNERS CHOOSE US!

- Accredited Professional Instructors with proficient knowledge & long-term experience.
- Theory lessons are offered in air-conditioned and well equipped lecture rooms.
- Practical lessons are offered in roadworthy, air-conditioned vehicles with dual pedal controls, as required by Government.
- A Certificate of Competence is provided for successful Learners.

COURSE INFORMATION & PROCESS

The course is broken up into two sections, namely:

Theory Tuition.

- Classes take place over a 4 / 5 week period - where a Learner will need to attend 2-hour classroom lessons, as well as a learner will need to complete assignments, self-learning, view prescribed videos and other materials, as prescribed by the Instructor.
- Upon completion of the Theory Lessons, learners will be assessed, and if successful, they will be able issued with a Certificate of Competence.

Practical Tuition

- Practical lessons will then be scheduled and be completed over an eight week period, which includes theory, practical yard lessons and road lessons, as well as a learner will need to complete assignments, self-learning, view prescribed videos and other materials, as prescribed by the Instructor.
- Upon completion of the Practical Lessons, learners will be assessed, and if successful, they will be able to obtain a Certificate of Competence.

This course is available at the following location:
